

Wellspring Gift Drive for Children

Holiday toys for children facing homelessness

This holiday season, you have the chance to bring cheer and joy to children in our community who are facing homelessness or difficult times.

Here are just a few stories of families who turned to Wellspring for holiday toys last year:

- A mother with three children, rebuilding their lives after escaping domestic violence.
- A family of five struggling financially after their father's work injury.
- A mother with four children living in transitional housing, caring for her youngest who is just 1 year old and battling a serious heart condition.

You can help by donating new and unwrapped gifts.

Deliver or ship them to:

Wellspring Family Services
1900 Rainier Ave S.
Seattle, WA 98144

Monday through Friday 9am – 4pm.

If you'd like to spread the joy further, consider hosting a collection drive with your friends, family, or colleagues!

Please make sure all gift donations are delivered by December 6th, so we can ensure they reach families in time for the holidays.
